

**NEW!**

## Meet Every Classroom Need with One Subscription

TpT School Access is a new, annual school-wide subscription from Teachers Pay Teachers (TpT) that makes it easier for teachers to teach at their best and address all student needs.

### **Funded by Schools, Not Teachers**

Provide teachers with resources to support every learner without teachers having to pay out of pocket.

### **Immediate Access to Content Teachers Trust**

Unlock year-long access to a comprehensive selection of PreK-12 TpT resources for your entire school.

### **Uncover New Insights and Discover Trends**

View school activity to collect valuable data and see which resources teachers are using to enhance student learning.

## How TpT School Access Works

### **STEP ONE**

#### **Purchase an Annual School Subscription**

A principal or administrator purchases an annual subscription using a PO, priced based on school size.

### **STEP TWO**

#### **Unlock Access to Resources Teachers Need**

Throughout the year, teachers will have immediate access to a vast library of TpT resources.

### **STEP THREE**

#### **View School Trends and Foster Collaboration**

Administrators and teachers can view usage and school activity to discover classroom needs and work together on solutions.
